

## **RESEARCH AND DEVELOPMENT CELL (R & D CELL)**

It is mandatory for UG and PG students to take up summer internships, pursue mini projects, participate and present research papers in conferences and seminars. With the policy of creating a conducive environment to inculcate research culture in the college, R & D Cell is actively involved in organizing various workshops/seminar/ trainings related to promotion of research and innovative skills among students and faculty and for industrial collaborations. R & D Cell enhances the research output of the institute by research paper publication in referred journals and reputed conferences. Sessions on IPR, Patenting are organized for faculty and students to create awareness about filing Patents & IPR.
